

**REMARKS**

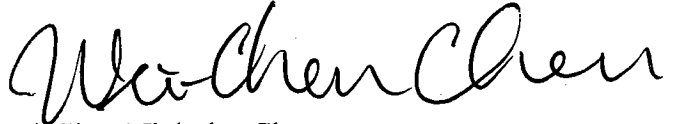

An Office Action issued on November 30, 2006 (hereinafter the "Office Action") objected to claim 3 for referring to the term "visible indicator," which was deleted from claim 1 (the base claim on which claim 3 indirectly depends) and replicated in claim 30 in the Response filed on September 5, 2006. By this Amendment, claim 3 is amended to depend from claim 30 to provide appropriate antecedent basis. It is submitted that the objection to claim 3 is addressed.

As the Office Action already treated claim 3 as relating to claim 30 (see enumerated paragraph 1 of the Office Action), the amendment does not introduce new issues and places the claims in better form for appeal. Entry of the amendment is respectfully requested.

Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,
